

# Beauty Will Rise

Steven Curtis Chapman

---

It was the day the world went wrong  
I screamed til my voice was gone  
And watched through the tears as everything  
Came crashing down

Slowly panic turns to pain  
As we awake to what remains  
And sift through the ashes  
That are left behind

But buried deep beneath  
All our broken dreams we have this hope

Out of these ashes beauty will rise  
And we will dance among the ruins  
We will see it with our own eyes  
Out of these ashes beauty will rise  
For we know joy is coming in the morning  
In the morning, beauty will rise

So take another breath for now  
And let the tears come washing down  
And if you can't believe, I will believe for you

Cause I have seen the signs of spring  
Just watch and see

Out of these ashes beauty will rise  
And we will dance among the ruins  
We will see it with our own eyes  
Out of these ashes beauty will rise  
For we know joy is coming in the morning  
In the morning

I can hear it in the distance  
And it's not too far away  
It's the music and the laughter  
Of a wedding and a feast  
I can almost feel the hand of God  
Reaching for my face to wipe the tears away  
You say it's time to make everything new  
Make it all new

This is our hope  
This is a promise  
This is our hope  
This is a promise

It will take our breath away  
To see the beauty that's been made  
Out of the ashes, out of the ashes

It will take our breath away  
To see the beauty that He's made  
Out of the ashes, out of the ashes

Out of these ashes  
Beauty will rise  
And we will dance among the ruins  
We will see it with our own eyes  
Out of this darkness  
New light will shine  
And we'll know the joy that's coming in the morning  
In the morning  
Beauty will rise

Oh, beauty will rise  
Oh, oh, oh, beauty will rise  
Oh, oh, oh, beauty will rise  
Oh, oh, oh, beauty will rise
